SEEDS13 COLORED STRIPES

Small achievements. Strong foundations.

Colored stripes recognize growth and positive habits on and off the mats.

Earn all four colored stripes to receive one white stripe. Colored stripes are then removed, and a new cycle begins.

This is a Seeds13 encouragement system.
Belt promotions are decided by the instructor.

PLANT THE DISCIPLINE, HARVEST THE VICTORY.

IBJJF belt order • June 2026 • With an additional Seeds13 white/grey belt stage.

White/grey and colored stripe cycles are Seeds13 academy practices. Age and time requirements apply.
